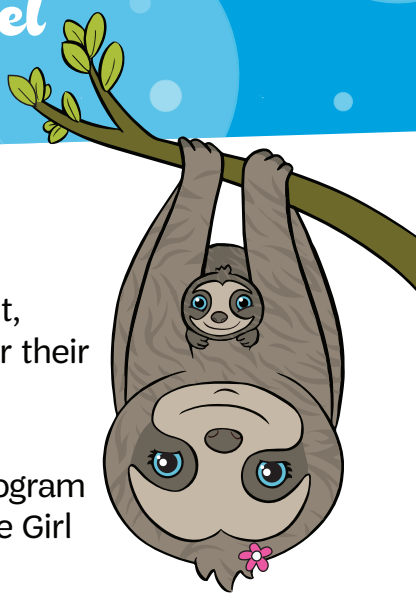
Introduction of Theme:

This year during our 2020 Fall Product Program we want girls to "Bravely Be You" with our travel companion, the pygmy three-toed sloth.



Benefits of Participating:

- Girls learn and practice the Five Skills: people skills, money management, business ethics, goal setting, and decision making, as they earn funds for their troop and exciting rewards.
- Proceeds stay locally to benefit our council and troops earn $2 for each magazine subscription and $1 for each nut item sold. The Fall Product Program is an excellent way to earn start up funds for your troop to use during the Girl Scout year to fund your activities and projects.

How the Fall Product Program Works:

This financial literacy program allows girls to be entrepreneurs by offering family and friends the opportunity to purchase delicious nuts, chocolates and magazines. There are multiple ways to participate:

- In-person by taking orders using the nut order card and collecting payments.
- Online by inviting friends and family to place an order. Customers can choose to have nuts, chocolates, or magazines shipped directly to them, or they can select from a group of nut and chocolate products that girls can deliver.

Important Dates:

- 9/11/20: Program begins – online ordering opens and girls may sell in-person
- 10/2/20: Last day to take orders on the order card
- 10/2/20: All orders received in person must be entered into the online system
- 10/4/20: Last day for online girl delivery orders
- 11/20/20: Last day for online orders for magazines and shipped nut and chocolate orders
- 10/26-10/28: Nut and chocolate items will be delivered to Service Unit sites

Fun Facts About the Pygmy Three-toed Sloth:

- They are the smallest of the three-toed sloths and live on the Isla Escudo de Veraguas, off the coast of Panama.
- They are critically endangered due to habitat destruction. There are less than 100 in the world.
- They are incredible swimmers and hold their breath underwater for up to 40 minutes!
