

**This is what
Girl Scouts
is all about!**

Family Involvement
Girls want their families to be involved in the experiences they have through Girl Scouts. Be part of every moment as she takes the lead and explores all the extraordinary things she's capable of.

Join the Sisterhood
Girls love being part of something and having friends so close they call them "sisters." Girl Scouts is a sisterhood of more than 60 million Girl Scouts and alumnae who share an important mission: making the world a better place.

Build Skills through Earning Badges
Girls are proud to say, "Look what I can do now!" when they learn something new. Girl Scout badges focus on introducing girls to new experiences and building new skills.

Leadership Opportunities
Girl Scouts learn to empower themselves and gain the confidence to know they are capable of anything through the Girl Scout Leadership Experience (GSLE)—age-appropriate experiences and activities.

Taking Action in our Communities
Girl Scouts discover who they are and what their values are, connect with each other, and take action to make the world a better place.
