Financial Assistance Request – GSUSA Membership

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

Girl Scouts welcomes and respects people from all backgrounds and abilities. Recognizing that some families may not be able to pay the entire $15 annual membership fee, we provide financial assistance where needed, whenever possible. We simultaneously seek financial contributions specifically for financial assistance so that we can expand our reach to more girls who live in families that cannot afford this membership opportunity for their daughter. ***Please remember:*** *A viable option, for troops that have some girls whose families are unable to pay, is for all the girls to use some of their troop treasury balance to pay all or part of their $15 annual membership fee.*

Directions:

Troop and other Pathway Leaders/Advisors: Use this form to request financial assistance. Forward it to your Community Development Manager (CDM) for approval along with the registration forms.

Community Development Managers and Outreach Managers: Please add your signature and date of approval, and note the appropriate cost code. Submit this form, along with the registration forms to the service unit registration checker, or receptionist at the Girl Scout Service Center. If known circumstances warrant financial assistance you may pre-approve. To expedite processing you may grant your approval via email provided all the information requested on the form is provided and the email is submitted with the registration forms.
