

# CURIOSITY

## ACROSS

- 1 According to the old saying, curiosity killed this
- 5 Official body governing the Roman Catholic Church under authority of the Pope
- 6 A phenomenon or curiosity not often seen
- 9 Asking questions, seeking knowledge

## DOWN

- 1 Used to invent something new; being curious can help
- 2 The famous woman chemist who discovered radium
- 3 To preserve meat by salting or smoking
- 4 An unusual or rare item, often displayed in a cabinet
- 5 A desire to learn or know
- 7 Latin root of *curious*, meaning *careful*
- 8 A curious literary monkey

Being curious is a way of discovering the world around you. Asking questions can help you connect. Think of something you'd like to know in each Girl Scout program focus area. Take action by writing a question you could ask to learn more. Share your questions with your troop or adult leader, and discover the answers together!
