## GIRLZ GEAR TRUNK SHOWS!

**Do you have girls in your troop who have never been able to come to Girlz Gear? Are you interested in raising extra money for troop Girlz Gear purchases? Do you like parties? If so, we have just the thing for your group!**

**A Girlz Gear Trunk Show is an opportunity for girls and adults to see some of the merchandise available in Girlz Gear, make purchases, and earn money for future troop purchases in Girlz Gear.**

### **What's included in the trunk?**

Each trunk includes an assortment of age level appropriate clothing and accessories. The assortment will change as products change. We can customize a trunk based on your specific requests. For example, if your troop is interested in scrapbooking merchandise, we can include available products in the assortment.

### **How can you hold a Trunk Show for your troop, group or Service Unit?**

- Set a date to view the items with your group.
- Call your Girlz Gear location at least **3 business days prior** to your party to reserve a trunk.
- Troops should invite the girls and especially the parents to attend the event.
- Pick up the trunk from your Girlz Gear location. Arrangements for transport with your Community Development Manger may be possible, but not guaranteed. Check with your CDM for availability.
- Host your Trunk Show Party and take orders along with payment. (Cash, checks payable to Girlz Gear, MasterCard, Visa, Discover, American Express, Girlz Gear Gift Certificates)
- Return the trunk to your Girlz Gear location along with your orders.
- Distribute your orders when they come in and receive your troop Girlz Gear Gift Certificate for 10% of the value of your order. (**Excludes vests, sashes, uniform emblems, earned insignia, handbooks, Try-It/Badge/IP books, and Journey books.**)

### **What else do you need to know?**

- Just like checking out other Council resources, the trunk will have a return due date. This will be determined at the time of the reservation. Please make every effort to adhere to that date, as other troops may have a reservation following yours.
- The volunteer checking out the trunk must leave a check deposit for the value of the items in the Trunk. We will not cash your check unless you fail to return the trunk.
- When you do return the trunk, we will inventory the items to ensure that all are present and still in new condition. If there are any items missing or damaged from the trunk, the adult who picked up the Trunk will be responsible for paying for these items.
- We will fill your group order as soon as possible after you have returned your trunk. To save on shipping, you may opt to pick up your order at Girlz Gear once it's ready. You may also have your Community Development Manager deliver it to your next monthly Service Unit meeting.
- Once we have filled your order, we will issue a Gift Certificate to your troop or group for 10% of the value of the order. This gift certificate is valid at any Girlz Gear location and is valid for Girlz Gear purchases only.
