

Make the world a better place

Serving as a Girl Scout today means being part of a worldwide organization that builds leadership skills by providing girls with opportunities to discover their interests, connect with others, and take action to change the world for the better.

March 12, 2012 marks the 100th Anniversary of Girl Scouting. Throughout 2012 current and former Girl Scouts of all ages are celebrating by demonstrating leadership and commitment in ways that have a real impact on their communities.

We thank all the volunteers and members in our communities for their time, talent and financial support. That spirit of volunteerism and support makes it possible for us to continue to be the best leadership experience for girls—today, tomorrow and always.
