

## Business Startup

Find out more about the entrepreneurial mindset and what it takes to start your own business.

1. Come up with an idea you can turn into a business
2. Design a prototype and get feedback
3. Revise your prototype
4. Create your business plan
5. Make your pitch

When you've earned this badge, you will have the skills to come up with a business idea, design a prototype, solicit feedback, improve your idea, then create a business plan and pitch it.

## Democracy for Seniors

Learn all about the three branches of government—and more.

1. Find out about local government
2. Find out about state government
3. Find out about the federal legislative branch
4. Find out about the federal executive branch
5. Find out about the federal judicial branch

When you've earned this badge, you will have expanded your knowledge about how your local, state, and national government works.
