

Sensitive/High Risk Activity Approval Request

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

Instructions:

1. Complete this form and forward it to your Service Unit and Troop Support Manager to begin a discussion about your interest in offering a program activity that addresses a sensitive issue or is high risk. Volunteer Essentials and Safety Activity Checkpoints, located on our website, are excellent resources.
2. Your SUTSM will respond to your request within two weeks.

Contact your SUTSM if there are questions about which sensitive/controversial issues or high risk activities may require additional council support to present and discuss, as well as whether parent/guardian permission is required.
