Outdoor Adventure Badge Day with Camp Discovery!

Girl Scout Brownies, join us to earn your Outdoor Adventure Badge at Camp Discovery on Saturday, November 8, from 9:00 a.m.-1:00 p.m.! Camp Discovery will lead four sessions for Girl Scout Brownies to play outdoors in a new way, explore nature, buddy up and play outdoor games, learn a camp skill, and care for the outdoors.

The sessions will include a packing for the trail lesson and hike, pollinator garden visit and nature craft activity (building bug hotels), free play in the gaga ball pit, field games, and a look at the bluebird boxes with a short lesson and game. Girl Scout Brownies and chaperones can also stay after the sessions for a picnic in one of the beautiful outdoor spaces!

This is a troop-based event, not a drop-off event. Any/all girls will need to register with a troop leader or chaperone to be allowed to attend.

Celebrate the power of girls everywhere

Girls can do anything they set their minds to. Every year on October 11, the global community celebrates International Day of the Girl—a day to recognize the power girls have to shape the future.

Let's come together to amplify their voices and support girls who dream big, lead with confidence, and change the world.

Girl Scouts can earn the special 2025 patch after downloading the free activity guide and completing the fun activities and creative ways to take action. Join the celebration!
