2. Pending Virtual Booth Orders

This section will let you know if your Virtual Booth Link OR any girls in your troop that have an order that needs to be approved. It will also let you know if any parents have turned off a cookie variety or in-person delivery in their site. For details on that function for parents, view the “My Cookies-Delivery Settings” tip sheet.

3. Troop Rewards Deadline

Troop Rewards

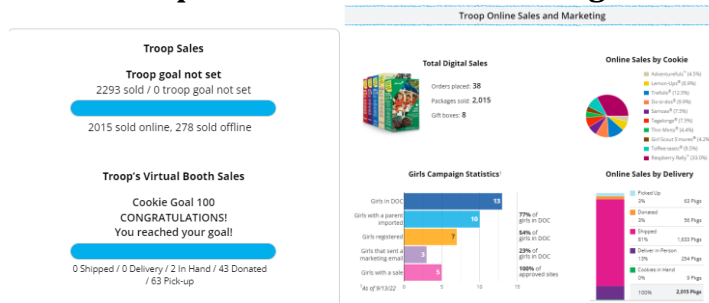

Troop Reward End Date

12/31/2022

Save

If you have a need for your girls/parents to submit their rewards choices to you earlier than what the council has set, you can change this date.

4. Troop Online Sales and Marketing

These two sections will show you the sales for the girls in your troop at a glance. It's a great way to make sure they are actively participating in reaching their customers.

Digital Cookie®

5. Reports

You have four reports to view that can help you manage your girl's Digital Cookie activity.

- “All Order Data” will show you details on every order for every girl.
- “Initial Order” (If applicable) will show you the initial paper order card entry by the parents to allow you to easily enter their orders into eBudde.
- “Cookie Badges” will let you know if girls are completing any of the Cookie Business badges and/or the Family Entrepreneur Pins. Encourage them to complete these with their families to increase their cookie program learnings!
- Rewards Selection will be helpful if your council enabled girls to select their rewards in Digital Cookie. You simply pull this report and transfer their choices to eBudde without need to track down each choice for each girl in the troop.
