

The eBudde Help Center is available 24/7 to help answer your eBudde questions. From Microburst Training videos and Quick Sheets, you can find plenty of helpful information there.

Once you click on the Help Center tab, you will click on Managing Your Sale and Troops. This will open up all of the options for different learnings.

The screenshot shows the eBudde Help Center interface. At the top left is the eBudde logo and 'Help Center' text. A search bar is on the top right. A navigation menu on the left lists categories: eBudde™ Basics, Managing Your Sale (with a sub-menu for Troops), and Digital Cookie. The 'Microburst Training Videos' link is highlighted in the Troops sub-menu. The main content area displays the title 'Microburst Training Videos' and a video thumbnail of a woman presenting. Below the video is a link: [eBudde™ Microburst Training: Balancing Virtual Cookie Booth Orders to Girls](#). The text below the link reads: 'Credit orders from your virtual cookie booth to the girls in your troop to make sure they get rewards and stay involved in cookie season.' Below this is another link: [Troop Initial Order Tab](#).

The Microburst training videos are short and easy to understand videos that will help you do things just in time in eBudde. We have training videos for the following topics:

1. Troop Initial Order tab
2. Troop Girl Order tab
3. Troop Pending Order Transactions (placing planned orders)
4. Troop Rewards (placing reward orders)
5. Troop Booth Signups (for council sponsored booths)
6. Troop Booth My Sales (for troop specific booths)
7. Troop Booth Record Sales (allocating cookies to girls from booth sales)
8. Troop Sales Report (all information about cookie sale regarding your troop)
9. Balancing Virtual Cookie Booth orders to girls (if you used the troop link to take credit cards at booths).

We also have a variety of Quick Sheets that give detail on each of the Tabs in eBudde. Each Quick Sheet outlines the tab and gives an explanation of what can be done on each tab.

The eBudde Help Center also contains information pertaining to Digital Cookie with a useful GSUSA Troop Links flyer and explanation of Girl Delivery in reference to before initial order and after.

Remember we do have an app for eBudde. There is information about navigating the eBudde app. Good news is everything you can do on your computer for cookies, you can do on the app.

Be sure to take a look at our Cookie Sale Resources. There is plenty of information regarding Little Brownie Cookies including Nutritional, Ingredient and Allergen information. Activities that can be used at a Cookie Rally or even just a troop meeting. Thank you notes, inventory sheets and virtual backgrounds are all available.

The screenshot shows a web interface for the eBudde help center. On the left is a vertical navigation menu with the following items:

- Digital Cookie**
 - Troop Links
 - DOC Settings
 - ▶ DOC Orders
