Sessions and Workshop Descriptions

Session A (Saturday, 9:00–10:30 AM)

Sleep In/Sleep Out—These courses are combined for Mountain Magic so that leaders can become fully trained to take their girls on overnight trips, whether it's indoors or out. Sleep In is required for a troop to spend the night in a self-contained facility (indoor facility with kitchen and bathroom). Adults will gain skills for working with girls to plan and carry out an overnight, including program and meal planning. Sleep Out is designed to teach adults to work with girls to prepare for troop camping. This training is required for troops planning to cook outdoors and/or camp at sites utilizing bunkhouses, platform tents, or pitched tents. The course includes group preparation, minimum impact camping, safety, and cooking in the out-of-doors.

(Min. 10, Max. 25) ADDITIONAL COST: \$20.

THIS CLASS WILL FOLLOW A SEPARATE SCHEDULE AND WILL COVER SESSIONS A–G.

Backpacking—This course prepares participants to lead or help lead an overnight backpacking experience.
