

It's About The Journey

Camp sessions are still available!

Good day everyone! My name is James Forde, and I am the Director of Programs and Partnerships for the Girl Scouts of South Carolina—Mountains to Midlands. Did you know that there is still time to register for summer camp? Sign up for one of our amazing day camps at either Camp Cathy in Columbia or Camp Mary Elizabeth in Spartanburg or get away for a week at Camp WaBak and enjoy the mountain scenery and wonderful camp traditions. Thanks to our wonderful donors, [we are able to offer camperships](#) to all of our camps to anyone who would like to attend. Learn more about our camps [here](#), and join us for what will be a fantastic summer!

Service Days at Council Properties

Join our property staff for a day of service on Saturday, May 9, by cleaning buildings, clearing trails, and other site-specific jobs. This will be a great opportunity to get some service hours in and keep our properties looking great. These service days are open to troops and families (participants ages 5 and up). Girls may attend on their own or with their troop, but they must bring an adult chaperone to work with them, if attending individually. Bring gloves, a bag lunch, and a water bottle; equipment will be provided.

Early giving is now open for Midlands Gives ahead of the main event on May 5, and we'd love your support.

We are incredibly thankful for the time, passion, and dedication you give as volunteers and caregivers, it makes a lasting difference in the lives of your girls. Financial support is another powerful way to invest in the mission we share. While we actively pursue grants and other funding opportunities, donations through Midlands Gives help extend our reach, strengthen what we offer, and allow us to say "yes" to more opportunities that benefit our programs and community.

If you're able, please consider making a gift or helping spread the word. Your support—both time and resources—helps ensure we continue to grow, thrive, and make an even greater impact. Thank you for all that you do!

Time's Running Out: Help Pick Camp WaBak's Cabin Unit Name!

Thank you to everyone who shared thoughtful name ideas as part of our effort to create welcoming and inclusive spaces for all campers. After exploration, a committee has selected finalist names that reflect the spirit of adventure, exploration, and travel found in our other cabin themes. Renaming this cabin unit is an important step in ensuring our camp environment reflects the respect and inclusiveness we value; and now, we invite you to help choose the final name.

Cast Your Vote! This is the final round; your vote will help determine the new name that will carry Camp WaBak's legacy forward for generations of campers. Voting is open now and will close tomorrow, April 30. The new cabin unit name will be announced in May. Click the button below to vote and help us choose our new name!
